

Aldo Santo

33rd AHSP0 Conference

Mantra Lorne

PRESIDENTS CLOSING ADDRESS

I promise not to keep you too much longer, but there are a lot of people and sponsor companies I would like to acknowledge and thank for their contributions over the last three days...so please bear with me.

Can I start by thanking Craig Fraser the CEO of South West Healthcare for coming along to our official trade opening on Wednesday evening.

Can you please join me in applauding our MC Emily Rice for her insightful comments and input and overall looking after the flow of the conference.

To all our major sponsors, Coregas, Ultra Health Medical, Kimberley-Clark Professional, Haines Medical Australia,

And to our keynote and meal break sponsors, Ecolab Healthcare, Aidacare Healthcare Equipment, Livingstone, Symmetry Surgical, Keystone Healthcare and Lekker The Nice Agency, thank you all for your ongoing support.

Time limits prohibit me from naming all of bronze sponsors, who are mentioned in the conference program and on our website, but they are equally appreciated, and we hope to see you all back again next year.

To our Keynote speakers, Olly Bridge and Jo Stanley, many thanks to you both.

And to all our other presenters, Rochelle Lake, Lisa Rashleigh (from Bendigo), Anne Wright, Debra Birznieks, Narelle Rogers, Maureen Walsh, Neil Rodway, and Shelley Jackson, could you please give them all a round of applause.

To the Mantra Lorne staff, who I think you will agree have all gone out of their way to make us feel welcome and have looked after us splendidly, with extra special appreciation to Ajay and Salena Walding, our Events Coordinator.

Also, a big shout out to The Vulkans for a great set at dinner last night.

My personal thanks to all of you, the suppliers and delegates with a special mention to the ones who presented their Magic Minutes, which keep getting better at every conference and which without your contribution, this conference would not be the success that it has been, give yourselves a round of applause.

And I'm reserving my own personal thanks to the very industrious people who have spent the last twelve months putting together a program of speakers that over the last three days have culminated in another great conference. I am of course talking about my fellow Executive members, could I ask them all to stand up...and could you please join with me in showing you appreciation for a job well done.

So that's it...There will be a take-away lunch provided in the reception area for those who require a nourishing traveller.

So let me finally close by wishing you all a safe and comfortable journey home.

Oh and one more thing...next years conference is already in the planning stage and will be held (location and dates to come.)

Thank You
