

34TH ANNUAL CONFERENCE

Conference Programme

TECH IN PROCUREMENT. **ADAPTING TO A NEW WORLD.**

34TH ANNUAL CONFERENCE

Welcome to Conference 2024.

It's with great excitement that we gather again for the latest installment of the AHSPPO Conference.

This year's event is timely—we've seen great shifts in supply and procurement over the past three years. Driven by major global events, supply chain pressure has increased, and our profession is evolving to keep up with demand.

Being from the 'old school' of procurement, I believe in building positive working relationships that benefit both sides. However, technology is increasingly playing a role in how effective we are at our jobs. Technology, alongside our foundational principles of procurement, enables us to work smarter and faster than ever.

This year's conference will deep dive into Technology in Procurement and explore trends shaping our profession. You'll learn how to prepare yourself to take advantage of the benefits technology can bring and have some fun while you're at it.

I hope you enjoy this year's event.

Aldo Santo

President
AHSPPO Incorporated

Wednesday 14th August

Welcome to Mantra Lorne

We're excited to return to Mantra in Lorne for this year's conference.

A historic location, known as one of the oldest guest houses in Victoria, Lorne is most notable for its rich history and charming accommodations. Stroll through the expansive gardens or take in the breathtaking beachfront views of Lorne's surf beach. In the vicinity of Great Otway National Park is a nature lover's playground, close to natural wonders such as the awe-inspiring Great Ocean Road. You can take in the rich ochre cliffs of Bells Beach and the leafy green eucalypts lining the coast of Bass Strait. Mantra offers luxurious accommodations, world-class facilities, and an oceanside backdrop. Breathe in the sea air and feel refreshed and revitalised for this year's AHSP conference.

Key Note Speaker

Stephen Yarwood

Stephen Yarwood is an urban futurist passionate about cities and innovation. As a former Lord Mayor of Adelaide and a highly regarded city planner, he specialises in urban infrastructure, strategic planning, smart and healthy cities, and innovation in governance and leadership.

Stephen is dedicated to helping people create positive change and focuses on building more livable, sustainable, and productive communities. He firmly believes in the 'possible' and 'practical', a core theme explored in the CitySpeaks Australia Podcast he hosts. Recognised as a thought leader in "Future Citizen," Stephen imparts collaborative leadership skills to corporate and community leaders, enabling them to tackle today's social and economic challenges while exploring the possibilities of tomorrow.

Gala Evening

Show us your true colours

Yellow everyone,

**You are formally invited to join us at our Gala, themed
'Show us your true colours'**

Colour is a powerful form of self-expression, and we encourage you to wear your most vibrant outfit to the event!

Will you be pretty in pink?

Or a vivacious violet?

Do you prefer an opulent orange?

Will you make everyone green with envy?

Stun as rambunctious rainbow?

Challenge yourself to let your true colours shine through!

Sponsored by our Platinum Sponsor

We are raising money for Anglesea Community House to help them deliver programs for the Anglesea community.

Donations will be accepted via EFTPOS upon registration on day one and the night of the gala.

Enjoy a night full of music, vibrant hues, good vibes, and fundraising for charity.
